Dear Mr. DePaula:

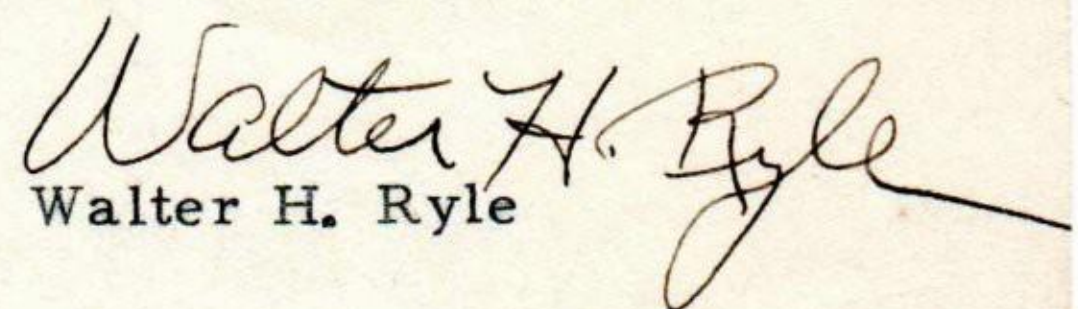

I am very happy to learn that you will be here to commence your graduate work at the opening of the summer quarter.

I do not have a teaching assistantship for you at the present time. There is no particular demand for Portuguese. I will, however, give you an international scholarship that will take care of your tuition, that is, incidental fees and the student activity fee.

You will find enclosed a Certificate of Admission that will extend from June 1, 1955, to June 1, 1956. It is renewable if you wish.

Again let me say how happy I am that you are going to be with us again. I am looking forward to your arrival.

Sincerely,

Walter H. Ryle
